**Safely Dispose of Drugs - April 28.** The Glendale Police and the Drug Enforcement Administration are providing residents an opportunity to safely and conveniently dispose of expired, unwanted or unused pharmaceutical substances and other medications. Controlled, non-controlled and over the counter substances will be accepted. The event will be held from 10 a.m. to 2 p.m., Saturday, April 28 at two locations: WalMart at 18551 N. 83<sup>rd</sup> Ave. in the northwest parking lot and Waymark Gardens at 5325 W. Butler Dr. For more information call 623-930-4044.

**Smoke Alarm Safety Walk.** At a recent smoke alarm safety walk, the Glendale Fire Department installed 102 smoke alarms and changed the batteries in 37 alarms. Due to an increase of mobile home fire deaths in Maricopa County and a few mobile home fires in Glendale over the past two years, the fire department held the proactive walk at the Orange Grove Mobile Home Park located at 8401 N. 67th Avenue.

More than 40 volunteers, including firefighters, citizens and Glendale's Fire Chief Mark Burdick, went door-to-door in an effort to educate residents on smoke alarm safety. The personal knock at more than 200 residences gave the volunteers the opportunity to educate the public on fire safety and prevention, check smoke alarms inside each home and either install a new one or change a battery in an existing alarm.

All of the smoke alarms, batteries and installation tools were obtained through a grant from the Arizona Burn Foundation and Valley of the Sun United Way. For more information about smoke alarm safety, visit the [Glendale Fire Department's fire and safety education page](#).
